

9/10/08 General Meeting Notes–

Ben intro – mission statement; Ben coops at GE
Slideshow

Officer intros

Break game – hand number game

Emily - CRUISE - weekly study hall (every week Sunday evenings 6:30 – 8:30); Career fair preparation workshop for underclassmen (next Thursday 7:30 – 8:30 in Tong)

Amy – Pizza sale Wednesday need three shifts 10:30; Looking for a pizza sale assistant – to get the pizza and get it to the building, talk to Amy); Casino night (work with company in Madison who puts on Casino night, we deal blackjack and get paid for it ☺) There are interest sign ups for that

Andrew (and **Alex**)– kickoff cook out, by Frank’s on Friday 5 – 7 PM, games meet some new people, next to Jorn’s hall; Kickball vs. IEEE (GE sponsored) next Wednesday Sept. 17, 3:45-6, great networking opportunity; Meet at the Engineering fountain; Email Ben if you need directions to Vilas

Lindsey – Career fair two weeks away, we need volunteers; sign up on Polygon website (we need 5 shifts, more volunteers the better); Engineering Expo has a BMES exhibit, forming a committee; E-week all the student orgs compete all week; Why be on the expo committee? Good networking opportunity.

Mike – Outreach – Habitat for Humanity, last week of winter break going to Mississippi put email on interest survey if interested; we set up a weekly volunteering event, River food pantry, get to interact with people; Science Olympiad in later October (Edgewood middle school) work with kids on experiments ☺, forms sent around

Ben – GE Day, if we can get 10 people by Friday they’ll pay for a bus to get us down there, leaves around 10 on Friday September 26th, event is at noon

Top 10 reasons of why to join BMES...
