

Biomedical Engineering Society

UW-MADISON

Kickoff Meeting
September 7, 2011

- What is UW BMES?
 - UW-Madison's student chapter of the Biomedical Engineering Society
 - For students of any major interested in applying in science and engineering to medicine.
 - Opportunities for development in academic, personal, professional, and social aspects
 - BMES provides resources such as: volunteering opportunities, research, medical school, internships & co-ops, and professional development
- Events through BMES
 - BMES National Conference—UW-Madison won the Commendable Achievement Award during fall 2010.
 - Science Olympiad at Edgewood Middle School
 - Volunteering at the River Food Pantry
 - Ice Skating at the Shell
 - BMESsenhaus
 - Habitat for Humanity
 - Trick or Treat for Cans
 - Girl Scout Badge Days
 - E-Week
- Officer Team Introductions
- Chubby Bunny and Marshmallow Towers Ice-Breaker
- Survey Results
 - Outreach had largest attendance
 - Main reason for not attending events was schedule conflicts.
 - This year's initiative:
 - Plan events around members' schedules
 - Promote industry/research/med school related events
 - Volunteers/computers needed to **come early** (at least by 5:45PM)
 - Reviewed Distinguished Membership Requirements
- C.R.U.I.S.E Cookout—Friday, Sept 9, 5-8pm
- Career Fair Resume Workshop—Monday, Sept 12, 6-7pm
- River Food Pantry—Friday, Sept 16, 4:45-8:45
- Bonfire—Friday, Sept 16, 7:30-10pm
- Morgridge Center Volunteering—Friday, Sept 23, 8:30-12 or 12-3:30pm
