

- What is UW-BMES?
 - Chapter of the National Biomedical Engineering Society
 - Mission Statement: BMES will work to promote the increase of biomedical engineering knowledge and its utilization by encouraging students who are interested in the application of science and engineering principles to medicine.
 - In order to meet the needs of its members, BMES provides opportunity for development in several major areas: academic, personal, professional, and social.
- What we think BMES is:
 - The best student org on campus
 - A place to meet “new” people (if you have been in multiple classes with them are they really new?)
 - A way to have a ton of fun with classmates outside of class on both weekdays and weekends, while building your resume at the same time
- Spring 2011 Officer Team:
 - President – Rob Bjerregaard
 - Vice President – Matt Bollom
 - Treasurer – Jeff Hlinka
 - Secretary – Kayla Stankevitz
 - Industry/Research – Brad Wendorff and Caleb Durante
