

Officer Meeting 5 November 12 –

Eric – Officer awards (2-3), maybe fun one,

- Next officer meeting Wednesday before Thanksgiving; maybe do it Monday before Thanksgiving → Last officer meeting

Ben – Finished habitat grant yesterday; new t-shirt

Kellen – 2 more batches of membership forms

- Met with Betty

Amy – Pizza sale a disaster today Gumby's was closed; switch from Gumby's?

- Start thinking of food alternatives, Domino's? Little Caesars? Milio's?
- JSM – Need to push this
- Casino night – numbers are down → need to think of other fundraising ways; one coming up on Dec. 6th
- Cut costs: cut pizza, think about other fundraisers (talk to friends)
 - o Camp Randall seats out in November

Val/Laura - George Arndt (Anesthesiologist) potential speaker? Another doctor?

- Laura contacting St. Jude, Medline, Medtronic
- CEO of Promega?
- Paul Thompson next semester
 - o Pretty soon Eric will have the dates for next semester
- No med school trip. Need to make sure next trip is much bigger
 - o Michigan State or Michigan
- Design concepts not returning phone calls

Mike – Girl scout badge day is really fun; science Olympiad went well

- River food pantry this Friday
- Habitat – he'll send out the sheets
 - o Any ideas for other activities to do at night or things do in that area, day trip?
- Polar plunge? Special Olympics fundraiser

Andrew – Boulders was a lot of fun, he'll keep it for next semester

- November 20th Mickey's for breakfast, 8, 8:30 on a Thursday
- Alps, date reserved. Monday Dec. 1st for Habitat people → 5 min meeting after the next general meeting
- SWE formal Dec. 5th → house crawl

Emily – Not here; Cruise advising went really well

Alex – Room was full; they got a lot of email addresses to remind people

- Freshmen movie night after the next general meeting
- Andrew can bring Anchor man

Ryan – GE not a reliable source right now; Biomet responded trying to get information
- Need better pictures, close up real pictures

Joe – Collected a lot of names for the data base; he's going to send out a form and sent a date, Wed. after Thanksgiving
- Pictures are hard with research → only one

Lindsey – Got a bunch of stuff from Steve Zwickel; big machines is in the instrumentation lab (Amit is contact)
- Another EXPO meeting on Friday
- Still have a prototype or poster
- Lindsey will email Eric P. about filling in at EXPO meeting

Allie – She will send out emails for people who need to write sections for the newsletter

Andrew – Needs more people to send him pictures and tell him what semester they are from
- Replace every place that says “Meetings” → Calendar
- Ultimately make a new website, shouldn't be more than two layers
