

BMES officer meeting notes: 2/4/09

Eric – Habitat grant submitted; hopefully check soon.

Ben – Kickoff feedback – went well overall; Still getting emails about mid-west conference in Michigan – anyone know anyone that wants to submit research, 3 key note speakers from industry or research, just one day (Friday Apr. 3rd), at next meeting we can let people know what's going on;

Kellen – Working on getting Kelly Stevens as speaker; will keep doing sign in forms as individual sheets; we should start answering questions people asked on sign-in;

Amy – Pizza sales (Mar. 4, Apr. 8, Apr. 15), still trying for Feb. 26 and Mar. 26, maybe do another building?; Heard about cup night at the Nitty, would it be ok with the school?, Amy will look into it; in meeting funding – issue with pumpkin carving funding, Amy needs to prove that she spent \$140, need to reallocate money if can't find receipts – for the future need to prove you spent money on what you asked for; Casino nights – she's getting emails about coming up events – none local, travel (no farther than Milwaukee), Janesville, Cambridge, Lake Geneva, Windsor, Friday & Saturday

Val – Beckman Coulter trip 9 AM – 12 PM Friday the 27th; planning to leave Thursday between 2-3 PM; See how many are able to drive, plan to stay in officer houses, and will try to keep it between 8 – 12 people, Val will look into another company for Fri. afternoon; Business Prof. to come and speak with technical background; April 3rd and 4th med school trip/Biomet trip;

Deb – For next meeting sign in sheet going to put on Epic trip; two meetings Dr. Kathy Sanders, speak about human factors (Feb. 25th mtg)

Jeremy – Science Olympiad went well – Jeremy will talk to Mike about logging hours to get paid for Science Olympiad; River food pantry on Friday, big group for that; One person interested for the eagle school mentorship

Andrew B – Rock band went well; Ski trip – Tyrol is our best option, Devil's head is expensive, open from 3:30 – 11, lift tickets \$19, rental \$10, would like to announce it two meetings ahead; Brewers trip – called contact, tickets on sale Saturday, pay for tickets when make reservation, April 11th tentative date, weekend of Easter, possible tickets at half price and sell back; Lazer tag - IIE social chair organizing tournament, Mon. Mar. 30th from 7 -11, 13 person teams, BMES can pay for 1/2; E-week Mickey's (Mon and Thurs) or ice skating next week;

Emily – Not present.

Sam – BME application coming up, she'll send out an email

Ryan – Working on pamphlet, using picture disk from office; going to put a finance page in the pamphlet – would like a breakdown of where our money goes

Joe – He talked to people about research and internship database – many people have gone to GE, thinking about taking a section from each, limit repeats; he will write up old exams; maybe a CRUISE event for internship/coop info, Joe can make a pamphlet for it

Lindsey – Had first EXPO meeting on Wednesday – split into groups; E-week events, rock band event, don't use your marbles, stuck on you; can someone go to the E-week captain meeting Sunday night, Andrew will go; have an overload of material

Allie – Newsletter is complete, if people would like to do it; we can collect addresses if you would like to send them the newsletter;

Andrew – Because of new website new stuff hasn't been put up onto new website; Deb and Sam get him a bio and picture
