

Officer Meeting notes –
4/1/09

Eric – Ben's neighbor came up with a BMES logo for the website, terrace chair/ BMES combination; may have some more options coming in; Next meeting 1610

Ben – Apparel fundraiser – work with the department to have a professional look; EXPO big deal, Lindsey needs 9 people there at all times, officers required to be there, sign up for is already online; we will be taking nominations the meeting before, will have people nominated on the sign up sheet, we will email the people after the meeting

Kellen – Prof. Kreeger will speak; Going through Sentry for food; Anyone have a slide show with pics for a slide show started?

Amy – Apparel fundraiser – logo with sweatshirts and sweatpants; pizza sale next week, all staffed, order less pizza; Epic Reimbursement, its taken care of

Val/Deb – MCW trip set up this Friday Apr. 3rd leave Madison at 11:00, tour 1 – 3 PM; No one has offered to drive; Covance is speaking next week; Epic Trip is end of April (8 definitely's, 14 maybe's)

Jeremy – Relay team is full 100%; 10K people coming up, today was the last day to log hours; next Monday another freshmen advising session, first listen to Willis, then people talk about Co-op, internship, study abroad, 5 – 6 → Val will do it;

Andrew – 12 BMEwers spots left, needs someone to take charge, Thursday April 9th (potluck dinner, combined with some sort of game, 30 Lathrop); April 25th event – study break at the terrace

Emily – not here – advising night = success;

Sam – it went really well, helpful information, 20 – 25 people; admissions essay due the May 15th; could have people come in for an essay review, Wed. 6th;

Ryan – Email from the National org, that they're putting out a newsletter, they want us to be in it, deadline April 30th; he wrote letter to Epic with cover letter with enclosed letter geared towards companies, information on how to donate, Matt will give him DVD from habitat; wants a contact from Medtronic to send another packet

Joe – He has a schematic with basic info for people to enter, presented the format for people to enter and what people will see; Matt Bollom said that it is doable

Lindsey – Everyone should sign up, made it mandatory to volunteer, especially needs Thursday afternoon; she will send it to Tompkins to forward on; talked to Betty, every part of the exhibit has a flyer, and she asked for money to laminate, she will print it on thick paper;

Allie – not here

Andrew – they'll set up a time to transfer new photos
