

Industry/Research – Derek & Brad

- GE went well
- Planning Bjorksten | bit7 & WID tours
- Planning on writing sponsorship letters
- Potential future speakers

Outreach – Sarah

- SWE Girl Scout Badge Day- Trying to work something out with SWE
- Bumps for Humps Tournament- Same day as ALPS, wont have enough to do it.
- Habitat sign up – is the way we do it fair?
 - Awaiting site specific information regarding costs, hope to have narrowed down by next meeting
 - Aiming for \$100/person after grants

CRUISE – Sam

- September Lab of the Month went well. A lot of people attended
- October Lab of the Month may be with professor Ogle, 28th? Dr. Lee is also an option.
- Med/Grad school sessions – collaboration with GSA- Trying to get some collaboration with them.

Freshman Rep – Caleb

- Tracks panels/seminars- Something to get people a little more interested in tracks and know a little more information about the tracks

Website – Blake

- Flickr account works
- BMES photo contest
- Drivers box on website... coming soon... hopefully ☺

Treasurer – Jeff

- Anyone remember how much pizza was left after last week's meeting?
- Will contact Noodles & Company for a fundraiser for Habitat for Humanity

Social – Adam

- Capture the Flag vs IIE – October 21st 8 PM
- ALPs
 - More people would be nice
 - No pre-course workshop

Database (Faculty Relations) – Jeremy

- Breakfast with BMES went well- hopefully we can have another faculty event soon

Industry Relations – Marc

- Resumes!
 - Relax the registered member rule for this semester

President – Rob

- Tailgating- November 13th
- T-shirts contest – submit designs!
- NOBE contacted us, they want to collaborate an event.

Vice President – Matt

- Conference – final plans
- Meritorious Chapter award!
- Advisor searching- we need a new advisor for BMES
