

Industry/Research – Derek & Brad

- Bjorksten tour – November 12th, 2:30PM- contracting company- we'll be getting a tour from the people who will be recruiting for their internships this summer.
- Next meeting – Craig Conners, Design Concepts- interesting design firm in Madison

Industry Relations – Marc

- Marc will work with CRUISE to let Kaplan and Princeton Review come to some of our events.
- We may need to hand out fliers for them too.
- New agreements
 - Kaplan – coming November 10th meeting to talk about discounts
 - Princeton Review – coming December 1st meeting to talk for 10 mins about discounts.

Outreach – Sarah

- Trick or Treating – 291 pounds (out of 2415)! We didn't have very many people.
- Local Habitat – November 5, 11:30 – 4:00PM, Engineering Fountain
 - Need 2 more people! Is anyone interested?
- Habitat
 - First round of money (\$125) due next meeting
 - Also need to be a paid member before going

CRUISE – Sam

- October Lab of the Month- pretty cool, a lot of people
- November Lab of the month- we'll try to get a lab with some demos- maybe trace center? Professor Lee
- Course advising
 - No BME specific session this semester- only second semester
 - BMES class advising, 15th of November, free food provided

Freshman Representative – Caleb

- Movie night – November 11, 8:00 – 10:30PM, in Tong (ECB)
- BME Track Panel Seminar – November 10, 7:00 – 8:00PM, 1610 Engineering Hall- After next general meeting
 - Volunteers needed for each track- Jeremy and Rob
 - Should we let everyone in the department know about it? yes

Treasurer – Jeff

- Pizza sale – got canceled because of a scheduling conflict in Chem building- Probably rescheduling for Dec. 6th and 13th
- Qdoba and/or Noodles- both! Also trying Zas

Social – Adam

- Comedy Club – November 11th is no longer the date. Waiting until next semester
- BMESsenhaus – December 2nd

- Low ropes ALPs for habitat- planning on Dec. 12th around 5:30 PM

Database/Grad Relations – Jeremy

- BME-GSA meetings & report
 - Trying to get some grad students to put together a “job posting” thing for undergrads who want to work with them in their labs.
 - They said that at the upcoming grad school panel they would be there to talk to people.
 - Also interested in social events
 - Meetings are Mondays, every other week, same week as ours

Polygon/Expo – Tasha

- ECB Open House – November 5, 8:00PM – 12:00AM, ECB- poster is in the office.
- Accessibility of website- our website is very web accessible for the disabled.
- Expo
 - Need many more people for committee
 - Presentation at next general meeting

Communications – Megan

- If anyone wants flyers for your events let Megan know.
- Time to start thinking about newsletter articles

Secretary – Kayla

- Fall Banquet
- Membership status
 - Officers should renew their memberships...

Website – Blake

- Distinguished membership algorithm updated with new criteria
- Drivers box with eventing is available on website

President – Rob

- Pumpkin carving was awesome!
- T-shirt contest – first vote
- Tailgating – November 13
 - Game is at 11:00AM
- Pictures- start taking pictures at events
- Trend of low attendance and cancelations

Vice President – Matt

- Office hours week adjustments on office door
- Remember to update attendance after an event
- New idea for constitution
 - Merge Webmaster & Database chairs
 - Add Graduate Student/Faculty Relations
- Meeting with BME faculty- tell them they shouldn't expect us to do advising
- Will select next semester's general meeting dates next officer meeting
