**Officer Meeting**  
October 17, 2011

- Conference Recap
  - Mentorship Program
    - The org that won the mentorship award had a cool program: everyone who wants one gets an upperclassman mentor. Survey matches people up with others with the same interest. They have a reward system for the mentor team that is the most active.
    - We could try to have more people in a group, 2 younger students, 1 upperclassman, 1 graduate student
    - Plan first then announce it at a later meeting
  - Research Symposium/Conference – UW/Regional:
    - Students come and present their research
    - May be hard to do. We can look into what other orgs do for regionals.
    - Contact other orgs about it
  - Do a brewery tour- maybe with an industry tour
  - Newsletters- we should have a few more maybe, make them electronic
  - Industry sponsors
  - T-shirt competition: national org has t-shirt competition. We want to redo the I BMEsed my way through college t-shirt. Matt will email them about when the contest will be held.
  - University of Minnesota trip: we could go meet with them while doing an industry trip or something. 12<sup>th</sup>
