

Biomedical Engineering Society

UW-MADISON

Officer Meeting
February 22, 2012

- General Meeting – Wednesday, February 29th, 1800 EHall, 6:00PM
 - Research/internship/co-op panel
 - Will release Guides to BME at the meeting – make sure they are good to go by then
- Events for early in the week – plan future events
 - Lab of the Month
 - Rock Climbing
 - Keep Monday and Tuesday in mind for other upcoming events
- Freshman/Sophomore Social – Wednesday, February 29th, Tong, 7:00PM
 - Promote!
 - 14 people already signed up – 2 officers, rest are sophomores
 - Get more freshman to attend
 - Brad has Contagion and Drive
 - Will be getting ice cream and root beer
- Community Days
 - Used to be just on Sundays
 - Last semester we just did it several times right before the sale day
 - Do whichever way is easier to get volunteers
 - Will likely have a few shifts throughout the weekends
 - Will probably need drivers
 - Sale day might conflict with spring break – Kayla will check
- Make a Difference Monday with Quaker Steak & Lube
 - Kayla is having difficulty getting in contact with proper person to set it up
 - Sam has had success in past for another org, will help out
 - Plan for when it is warmer – sometime in April, the 16th would be ideal
- One World Medical Volunteering – Saturday, February 25th, 11:45AM – 2:00PM
 - Drivers – Gabe can help out
- Indigenous Health and Wellness Day – more info
 - On the 27th of April (Friday)
 - Want two presentations, at the Memorial Union
 - Promote biomedical engineering to middle and high school-age kids
 - Kayla and Jeff should be able to help out
 - See if this counts towards outreach for BME 402
- Relay for Life – Friday, April 13th – Saturday, April 14th
 - 3 people signed up so far, a lot more interest
- Mentorship program
 - Specify that this is NOT for tutoring
 - Find out tracks for officers and make sign up sheets for mentees

- Brad will make sheets for general meeting next week
 - Hallie can have someone from SWE send information about what they do for their mentorship program
 - Need to think of ways to promote groups to meet together (via just sending questions on e-mail)
- BME Class Advising Day – Friday, March 23rd 12:05-1:15
 - BME Department would like us to help out
 - Hallie and Rob can help out
 - Brad will send out an e-mail regarding this
- LotM updates
 - 11-12 PM on Monday, March 19th for tour of the CAVE
 - Also try for a Saturday and see who signs up for which one
 - Could try to get one in for the beginning of March with Dr. Block
 - Schedule one for mid-April
- Breakfast with BMES – Tuesday, March 20th, 1047 ECB, 9:00 – 10:00AM
- BME-GSA update
 - Not a lot of updates, because their recruiting weekend for new graduate students is coming up
- New event for Department Relations
- Newsletter printed!
 - Mainly officers have signed up
 - Send sign up sheet around at next meeting
 - Start sending out in batches
- Industry Tour – GE – Friday, April 13th
 - Itinerary:
 - Tour of product showcase in Waukesha
 - Tour of MR building
 - Overview of the GE leadership programs
 - Anything else?
 - GE wants to cap at 15
- Med School Trip – Friday, March 2nd, 2:00PM
- Spring Banquet – Thursday, May 10th, Tong
 - Speaker: possibly Prof. Ashton
 - New faculty member with focus on stem cell engineering and neural regeneration.
 - <http://stemcells.wisc.edu/faculty/ashton.html>
- E-Week – March 5th – March 9th
 - Need volunteers for Stuck on You (2-3 on Monday) and Euchre (5-6 on Wednesday)
 - Derek can do 5-6 Euchre
 - It's midsemester week, but try to participate
 - Publicize at next general meeting
- Euchre Tournament – Thursday, February 23rd, **8:00PM**
 - Will probably start tournament around 8:30
- Brewers Game: April 20th vs. the Rockies

- Badger Bus: 55-seats - \$13.64 a person (\$750 total)
 - Give some to BME-GSA
- Bleachers are \$14, 2nd level up are \$16 – go with bleachers
- Estimate \$250 for food and drinks (\$5 a person)
- Extra ticket for driver
- Parking is \$35
- Make price \$35 for paid members, \$30 for distinguished members, \$40 for non-members
- See if other engineering orgs are interested, but book separately
- Camping trip
 - Not really a good day that doesn't conflict with other events or design deadlines/deliverables
